

Gibbon Public Schools Circle of Friends Autism Awareness T-Shirt

Circle of Friends is a group that pairs peer students with focus students (students with Autism or other disabilities) together to promote a culture of acceptance and foster meaningful friendships. Students involved in Circle of Friends participate in activities to help teach social skills in a safe and fun environment. Circle of Friends is selling T-Shirts to advocate for Autism Awareness and raise funds for future activities. We will be wearing these shirts in April for Autism Awareness Month. The sleeve of the shirt will say "Gibbon Public Schools".

Please return order forms to your respective building office by February 18, 2020. Write shirt quantity on line next to size. Shirts will be printed on Dark Heather Grey 50/50 pre-shrunk cotton poly. Please make checks payable to Gibbon Public Schools.

Child

___ SM (size 6-8) \$10

___ MD (size 10-12) \$10
