

**Gibbon Public Schools
Communication Plan**

The CoronaVirus Pandemic has forced the school district to indefinitely close its doors. Despite this reality, education for all our students will continue to occur through an alternate learning environment. Gibbon Public Schools wishes to ensure our students, parents and patrons have timely and relevant information on a consistent basis throughout this situation. Please review the following information to learn more about the school district’s plan for communication.

Office Hours

The office will continue to perform daily operational tasks; however, this will occur in a non-traditional way.

On Monday, Wednesday, and Friday, the office will be open from 7:30 a.m. to 4:00. Although we will not allow individuals inside the building, we will have secretarial and administrative staff available to take phone calls, answer emails, and respond to requests.

On Tuesday and Thursday, our staff will work from home and will be able to respond to emails. Please do not hesitate to use email to contact one of us.

Please leave a message if you are unable to connect with any individual.
